

Ruby on Rails 5.x

Do início ao fim!

The background features a light gray world map centered on the Atlantic Ocean. Overlaid on the map are several large, semi-transparent geometric shapes in shades of gray and white, including triangles and polygons, creating a modern, abstract design.

**Criando as migrations
para as questões**

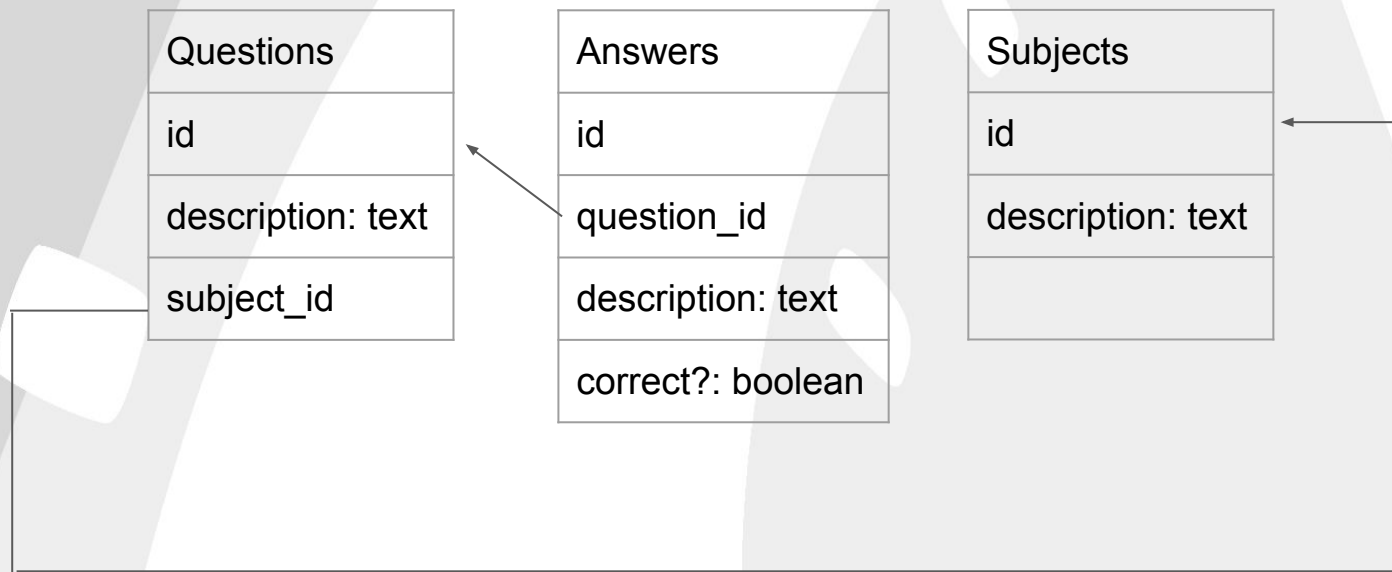

Criando as migrations para as questões

Criando as migrations para as questões

- Tipos de dados disponíveis para o ActiveRecord
 - https://api.rubyonrails.org/classes/ActiveRecord/ConnectionAdapters/SchemaStatements.html#method-i-add_column

Criando as migrations para as questões

Criando as migrations para as questões

- Vamos começar pelo model **Subject** que *"não depende de ninguém"...*
 - rails g model subject description:string

Criando as migrations para as questões

- Na sequência vamos criar o model **Question**
 - rails g model question description:text subject:references

Criando as migrations para as questões

- Crie o model **Answer**
 - rails g model answer question:references description:text correct:boolean

Criando as migrations para as questões

- Agora use os modificadores de coluna onde precisar...
 - `https://edgeguides.rubyonrails.org/active_record_migrations.html#column-modifiers`
 - `null: false`
 - `default: true`
 - `limit: 30`

Criando as migrations para as questões

- Por fim, aplique a migration
 - `rails db:migrate`
